Additional Information

Policies / Legislation

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice. Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

Hygiene

During the course of employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of St Vincent's University Hospital's quality system to ensure the safety and well-being of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

Confidentiality

In the course of your employment you may have access to, or hear information concerning the medical or personal affairs of patients, students, staff and / or other health service business. Such records and information are strictly confidential and, unless acting on the instruction of an authorised officer, such information must not be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody when no longer required.

Recruitment and Selection

St. Vincent's University Hospital is committed to the recruitment, development, and retention of the highest calibre of staff, in order to provide the best quality health care to all of its patients and enable the achievement of the objectives of the Hospital.

The Hospital is an *Equal Opportunities Employer* where recruitment and promotion criteria are based on each individual's abilities and competencies. Discrimination, either direct or indirect, which impedes achievement of full equality of opportunity between all staff, will not be tolerated, in accordance with the Employment Equality Acts 1998 and 2004.

The recruitment and selection process is designed to appoint employees based on merit and in line with best practices in a fair, transparent and objective manner. The Recruitment and Selection Policy is available at www.suvh.ie/HR/PoliciesandProcedures.

Please note the following:

- The Hospital Board is not responsible for loss or theft of personal belongings.
- Fire orders must be observed and staff must attend fire lectures periodically.
- All accidents within the department must be reported immediately.
- In line with the Safety, Health and Welfare at Work Act (2005), smoking within the Hospital building is not permitted.
- All Staff are advised to avail of Hepatitis B Vaccination with Occupational Health.
- The use of personal mobile phones is prohibited in clinical care areas.
