Section 1: Accountability and Working Relationships

Title:	Staff Nurse
Professionally accountable to:	Director of Nursing
Reports to:	Clinical Nurse Managers Assistant Director of Nursing Directorate Nurse Manager Director of Nursing
Key working relationships:	Nursing and Medical Personnel Health and Social Care Professionals
Working Hours:	78-hour fortnight

Section 2: Job Summary

Role Summary:

The Staff Nurse will assess, plan, implement and evaluate care to the highest professional and ethical standards within the model of nursing care practice.

Ward Areas:

Our Lady's Ward: This is a 26 bedded Medical Ward catering for care of the elderly and includes the acute stroke service with the Hyper-acute Stroke Unit. Nursing learning opportunities include utilising multiple assessment tools and the care of a patient after an acute stroke including rehabilitation. It offers medical clinical experience including discharge planning while also providing opportunities for the staff to be active within the MDT. There is a UCD affiliated level 8 Continuous Professional Development (CPD) programme for Acute Stroke and Care of the Older Person in place.

St. Agnes Ward: This is a 24 bedded medical ward caring for patients with rheumatic conditions, the frail elderly and patients with cognitive impairment, and general medical care. It offers medical clinical experience including discharge planning while also providing opportunities for the staff to be active within the MDT. It also has an End of Life Room to facilitate the care of the dying patient and their family. There is a UCD affiliated level 8 Continuous Professional Development (CPD) programme for Care of the Older Person in place.

St. Andrew's Ward: This is a 34 bedded ward and is a semi-private Medical / Surgical ward. The patient cohort includes patients with varying medical conditions such as COPD and asthma, Congestive Cardiac failure and Stroke rehabilitation etc. Nurses working on this ward gain a vast and varied experience in many disciplines, which incorporates a variety of levels of nursing care. There is a UCD affiliated level 8 Continuous Professional Development programme under development for nursing the Person in a Medical Environment.

St. Lucy's Ward: This is a 26 bedded general medical ward specialising in gastroenterology. Nursing staff may be exposed to the medical and nursing care of patients with Crohns disease, Ulcerative Colitis and Diverticular Disease. Nursing learning opportunities involves caring for patient's pre and post endoscopic procedures (OGD, Colonoscopy etc.) and post biopsy. It offers medical clinical experience including discharge planning while also providing opportunities for the staff to be active within the MDT. There is a UCD affiliated level 8 Continuous Professional Development (CPD) programme under development for nursing the Person in a Medical Environment. There is a UCD affiliated level 8 CPD programme for Care of the Older Person in place.

St. Monica's Ward: This is a 20 - bedded isolation ward in the Nutley Wing, where patients are cared for in single en-suite rooms. Many of these patients have infectious conditions requiring isolation. It offers students a wide variety of medical experience while also providing opportunities for the staff to be active within the MDT. St. Monica's ward often has patients with tracheostomies and therefore offers staff an opportunity to develop their skills in this area. There is a tracheostomy care skills education programme and a UCD affiliated level 8 Continuous Professional Development programme under development for nursing the Person in a Medical Environment available to registered nurses.

St. Paul's Ward is situated on the third floor of the Herbert Wing. It is a 26 bedded acute respiratory/medical ward. Nursing staff gain experience in a wide variety of respiratory conditions in St. Pauls. The ward includes a 4 bedded Non-Invasive Ventilation (NIV) Unit which cares for patients in acute respiratory failure type 2, requiring Bi-PAP or C-PAP ventilation support. Staff are welcome to apply for the Post Graduate Diploma Level 9 course in Respiratory Nursing. There is a NIV education programme available for registered nurses.

St. Vincent's Ward: This is a 13 bedded medical ward, specialising in Neurology. Learning outcomes include, nursing care of patients with neurological conditions, chronic pain pathways and cardiac telemetry patients. This care incorporates a variety of levels of nursing care needed from specialist neurological nursing care all the way to discharge planning, multidisciplinary collaboration and family involvement.

St Michael's Ward: This mixed medical and surgical 11 bedded ward providing services for patients received directly from the Emergency Department and also caring for older persons. The patients are selected so that their acute needs will be addressed within a short expedited timeframe for a fast turn over and dynamic clinical environment. The care is linked to the fast growing Discharge Lounge service in SVUH.

Key Duties and Responsibilities:

- Provide and maintain a high standard of nursing care in accordance with Hospital policies, procedures and guidelines and the scope of nursing practice framework.
- Contribute as a key member of the Theatre Department in the provision of holistic, professional care to patients.
- Ensure that the privacy, dignity and confidentiality of the patient is respected and maintained at all times having regard to the Philosophy and Mission Statement of the hospital.
- Participate in and provide clinical nursing care for patients while ensuring regular contact with patients at all times.

- Prioritise patient care and workload to ensure effective care and patient safety is maintained.
- Maintain all nursing records accurately ensuring that patient confidentiality is respected and maintained. Adhere to nursing policies with regard to nursing documentation.
- Document and report to CNM and/or Assistant Director of Nursing all incidents/accidents/near misses or complaints and participate in any subsequent investigation as requested.
- Take responsibility, if required, for co-ordinating the care of patients in the Theatre Department in the absence of the Clinical Nurse Manager.
- Assist in the supervision and delegation of patient care to nursing support staff and student nurses as appropriate.
- Observe and comply with Hospital policies and procedures and Health and Safety regulations.
- Update yourself regularly on new policies, developments and clinical practices in the hospital and at ward level. Seek clarification and understanding of implications of new practices for your patients and the Theatre Department.
- Be responsible for the safe administration of medications.
- Maintain a safe environment for the patient at all times, and take appropriate action as necessary.
- Liaise with and ensure good relationships with all members of the multidisciplinary team in the hospital.
- Communicate with patient's relatives and visitors with courtesy and consideration.
- Assist with the requisitioning of supplies.
- Use equipment efficiently and properly to promote good care and prevent waste.
- Ensure the good maintenance and smooth running of the Theatre Department by advising the CNM of defects in services or equipment and any other perceived problems.
- Participate in staff meetings, team meetings and committees as required.
- Actively participate in Continuing Professional Development meetings with the CNM, and engage in service development and progressing patient care to the highest standard within the Theatre Department.
- Comply with Nurses and Midwifery Board of Ireland (NMBI) Code of Professional Conduct.

Section 3: Competencies

Additional Information

Confidentiality:

During the course of employment staff may have access to, or hear information concerning the medical or personal affairs of patients, students, staff and / or other health service business. Such records and information are strictly confidential and unless acting on the instruction of an authorised officer, such information must not be divulged or discussed except in the performance of normal duty. In addition records must never be left in such a manner that unauthorised persons can obtain access to them and must be kept in safe custody when no longer required.

Hygiene:

During the course of employment staff are required to ensure that the hospital's hygiene and infection control policies are adhered to at all times. All employees have responsibility to prevent transmission of infection by adhering to and implementing optimal hand hygiene and adhering to the Hospital's Hygiene processes. Hygiene is a fundamental component of St Vincent's University Hospital's quality system to ensure the safety and well-being of its patients and staff and plays a role in the prevention and control of healthcare associated infection.

Policies / Legislation:

All Hospital policies and procedures form an integral part an employment contract and may be subject to update and revision, from time to time, in consultation with union representatives as appropriate. Employees are required to comply with all hospital policies, procedures (e.g. Dignity at Work, Trust in Care, Computer Usage Policy) and the Hospital's ethical codes of practice. Employees are required to abide by the hospital's code of behaviour and the code of practice as defined by their relevant professional body.

Please note the following:

- The Hospital Board is not responsible for loss or theft of personal belongings
- Fire orders must be observed and staff must attend the fire lectures periodically
- All accidents within the department must be reported immediately.
- In line with the Safety, Health and Welfare at Work Act (2005), smoking within the Hospital Building is not permitted.
- All staff are advised to avail of Hepatitis B Vaccination with Occupational health
- The use of personal mobile phones is prohibited.
- St. Vincent's University Hospital buildings and grounds are **smoke-free**.

Application Process:

St. Vincent's University Hospital is an equal opportunities employer and is committed to promoting an environment free from discrimination in accordance with the Employment Equality Acts 1998 and 2004. The Hospital values diversity and recognises the benefits of having a workforce that reflects the community we serve. We are committed to equality of access to positions within the Hospital. All recruitment activity and documentation will encourage applications from all potential candidates without discrimination.

Interested candidates should apply for vacancies of interest by visiting the Hospital Careers pages: <http://www.stvincents.ie/Home/Careers.html>

- Note the closing date(s) for the submission of on-line applications are specified on the list of vacancies. St. Vincent's University Hospital are not able to accept late applications.
- It is the applicant's responsibility to ensure that they apply well in advance of the closing date.
- Any applications which are still in progress but have not been submitted after the closing date will not be registered by our Web Recruitment System.
- Applications for St. Vincent's University Hospital job vacancies will only be accepted through our Web Recruitment System.
- St. Vincent's University Hospital may only take into account technical issues raised by an applicant if advised to our Human Resources Department prior to the advertised closing date.

Non-European Economic Area Applicants:

While St. Vincent's University Hospital is an equal opportunities employer, in line with current Department of Jobs, Enterprise and Innovation Employment Permit requirements, applications from non European Economic Area (EEA) will only be considered in the event that an EEA citizen cannot be found to fill the vacancy. Please note that if you are a NON-EEA applicant and are unable to supply documents (listed on www.djei.ie), you are not entitled to participate in this recruitment competition. This is in accordance with the EU Community Preference Rule. Further information is available at www.djei.ie.

Former Public Service employees:

Eligibility to compete may be affected where applicants were formerly employed by the Irish Public Service and previously availed of an Irish Public Service Scheme including:

- Incentivised Scheme for Early Retirement (ISER)
- Department of Health and Children Circular (7/2010)
- Collective Agreement: Redundancy Payments to Public Servants

Applicants should ensure that they are not precluded from re-engagement in the Irish Public Service under the terms of such Schemes. This is a non-exhaustive list and any queries should be directed to an applicant's former Irish Public Service Employer in the first instance.

Shortlisting:

Shortlisting will be carried out on the basis of information supplied on your curriculum vitae. The criteria for shortlisting are based on the requirements of the post as outlined in the Person Specification. Failure to include information regarding these requirements on your CV may result in you not being called forward to the next state of the recruitment process.

All overseas qualifications must be validated. No candidate can work in the Hospital without validated qualifications. If professional registration is also a requirement, candidates must provide documentation of same.

Canvassing will automatically disqualify.

Please note that you will be contacted mainly by mobile phone and email. It is important that your mobile phone number, postal address and email address are correct. It is your responsibility to ensure that you have access to your mobile voice mails and emails. We recommend that you use an email address that you have regular access to.

Competency based interviews follow the shortlisting stage of the recruitment process. Credit is awarded by the interview panel to candidates who demonstrate at interview that they possess the experience, competencies and skills listed in the person specification. Candidates will normally be given at least one weeks' notice of interview. Interviews are held in person only, no subsequent or alternative dates to dates given will be offered to candidates. All interviews are held in the HR Department of St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description. All posts are located in St. Vincent's University Hospital, Elm Park, Dublin 4 unless it is specifically noted otherwise in the Job Description.

Disability:

Please let us know if you need any special assistance at interview, e.g. if you have difficulty in moving up or down stairs or have hearing or speech difficulties.

Candidates are notified of the result of their interview at the earliest possible date after the interview. The recommendation of the interview panel does not constitute a job offer. The process continues after the interview and includes clearance checks such as references, Garda clearance, occupational health clearance, validation of qualifications and experience. A job offer is made pending satisfactory clearances. SVUH reserves the right to remove candidates from specific recruitment panels and retract job offers if satisfactory clearances cannot be obtained or are deemed unsatisfactory.

For some recruitment competitions a panel of successful candidates may be formed as a result of the interviews. Candidates who obtain a place on the panel may, (within the life of the panel), be considered for subsequent approved vacancies. Candidates are placed on a panel in order of merit. A panel is typically live for 6 months.

It is normal procedure that candidates be placed on the first point of the relevant salary scale in accordance with the Department of Finance guidelines.

Declaration:

Please read your application carefully and check for any errors or omissions. False declaration or omission in support of your application will disqualify you from appointment.

This document must be regarded as an outline of the major areas of accountability at the present time, which will be reviewed and assessed on an on-going basis.

Date: March 2021
